

Elcona Country Club

Position Available: Assistant Superintendent

Course Name: Elcona Country Club

City and State: Bristol, IN

Club Background: Elcona Country Club was established in 1956 and designed by famed architect Bill Diddle. Throughout the last 50+ years we have built a reputation for being one of the finest, full service, private clubs in Northern Indiana and throughout the Midwest. The club has played host to numerous regional and state tournaments as well as national corporate events and exhibitions. Through additional land purchases over the years, the acreage owned by Elcona has grown to over 350 acres and is now a fully certified member of The Audubon Cooperative Sanctuary Program. Included in this land is a 15-acre practice facility and 168 acres of undeveloped grasslands, woods, and farmland.

Expectations: This is a very demanding, but equally rewarding and educational position. The chosen individual must possess an open mind, keen attention to detail, a strong work ethic and a desire to learn new skills on a daily basis. We are expected to maintain golf course conditions at an extremely high level throughout the golfing season. The goal of this Assistant Superintendent position is to build a strong foundation that will encourage the advancement of the individual as a Golf Course Superintendent in a timely manner.

Duties: Will be heavily involved with all aspects of golf course maintenance including, but not limited to: daily set-up and maintenance, topdressing, fertilizer and pesticide calibration and application, project supervision, crew leadership of up to 20 employees, irrigation troubleshooting and operation, budget work, record keeping, attend committee meetings and perform minor mechanical work on equipment. *Individual must work closely with other Assistant Superintendent.*

Hours: Coincide with seasonal expectations and course requirements.

Wage: Salary – negotiable / commensurate with experience

Benefits: Medical/Dental insurance, paid vacation, uniform, dues paid for local and national associations, participation in local and regional conferences, continuing education, golfing privileges.

Availability: February 2012
