

EVANSTON GOLF CLUB

4401 DEMPSTER STREET – SKOKIE, ILLINOIS 60076

Position Available: Summer Intern

Course Description: Evanston Golf Club is a private 18-hole course located 20 minutes north of downtown Chicago receiving 16,000 rounds annually. Evanston Golf Club reopened in the summer of 2007 following an extensive course renovation. The greens were expanded to the original Donald Ross fill pads, the tees were squared, and the fairways were shaped and contoured. Evanston Golf Club is bentgrass from tee to green, featuring the latest varieties of bentgrass. A complete drainage system was installed and an update to the Toro automatic irrigation system was done. The annual maintenance budget is approximately \$1.1 million.

Duties and Benefits: Duties include but not limited to: Course maintenance and setup, Irrigation system maintenance and repair, Clubhouse lawns maintenance along with irrigation setup, Fertilizer applications, and Assist with equipment maintenance. Evanston Golf Club has an extensive tree health program. This includes using the Arborject system to inject Triage, an insecticide used in the prevention and eradication of the Emerald Ash Borer, to numerous Ash trees throughout the property. The candidate chosen for the internship will be properly trained and will assist with the injection process. Crew management will also be a vital part of the internship. Spanish speaking is a plus, but not necessary. Evanston Golf Club offers on course housing, uniforms, golfing privileges, and \$10 per hour plus overtime.

Position Available: 3-4 month internship starting in May 2009
