

**Intern
Highlands Falls Country Club**

****Open any time during the year****

Highlands Falls Country Club is a very up-scale, private, 18 hole club located in the western NC mountains. HFCC is a Joe Lee design and has been featured in many different publications. The club is seasonal with the course being opened from May through October. During this period, the course remains in tournament condition. All course projects are done during the off-season. The course just finished a five-year renovation program and has already begun another. This is an excellent opportunity for a turf student who wants to learn at a facility with many resources. This is a position in which the individual will learn to become a successful golf course manager in a fast paced, hands-on environment. Fred Gehrisch, CGCS is the superintendent at HFCC. Visit us at: www.clubhfcc.com

Grass – Greens & Tees are L-93, Fairways are Penncross, Rough is bluegrass.

- Duties**
- Support the Asst. Supts. with running the day to day operations of the course
 - Crew training and management: including leading small crew projects, course set-up, running large loader and mini track hoe for projects
 - Record keeping: Specifically with fertilizer/pesticide applications, and scouting pests, and recording weather data
 - Administrative duties: Introduction to purchase orders, budgeting, agronomic planning, and attending greens committee meetings
 - Pesticide and fertility applications: liquid and granular applications, calibrating
 - Management of club grounds: Specifically practice facilities and nurseries
 - Irrigation maintenance and repair: irrigation head/pipe troubleshooting, satellite box comprehension/repair, computer irrigation comprehension, irrigation radio introduction

Requirements – Student in a 2 or 4 year program with an agronomy emphasis. Students with previous golf course experience preferred.

Salary/Benefits - \$9.50/hour, Uniforms, meals, golfing privileges, Reduced priced housing
