

The Landings Club, Inc.
Savannah, GA

Internship Opportunities Available

The Landings Club is the largest private member owned club in the United States. The Club is located on Skidaway Island, an 18 square mile barrier island off the coast of Georgia. The Club is just minutes away from historic downtown Savannah and Tybee Island Beach. There are six championship golf courses designed by some of golf architectures greats such as Arthur Hills, Tom Fazio, Arnold Palmer and Willard Byrd. Each course has its own style and views; all of the courses intertwine along the salt marshes and lagoons that surround Skidaway Island. We are currently undergoing a renovation to the Deer Creek course and are scheduled to renovate the Oakridge course in 2011. Their scopes will include: USGA greens construction, irrigation system replacement, concrete cart path installation, and a complete regrassing of the golf course.

Course Description

Course Type: Private Annual Rounds: 33,500 per course
Open year round: Yes Maintenance budget: \$988,000 / course avg.
Number of Holes: 108 Irrigation System: Toro Osmac/E-Osmac
Greens: Five Courses Tifeagle and One Course Tifdwarf
Tees: Four Courses Zoysia and Two Courses Bermuda
Fairways: All Bermuda grass, with Ryegrass overseeding in winter months

Internship Objectives and Duties

The Landings Club is seeking eager students willing to learn in the golf industry. The internship program will involve hands on work experience as well as education. Interns will take part in daily maintenance assignments, assist with the chemical and fertilizer applications, aid in minor irrigation repair. Additionally, interns will be exposed to the renovation/grow-in process of the Deer Creek course as well. Successful completion of the program and objectives will result in a completion bonus at the end of the internship.

Salary

- \$ 11-12 per Hour (\$80 per week deducted for housing)
- \$1000 bonus potential

Benefits

- Housing and utilities provided
- Uniforms and golfing privileges provided
- Transportation available to/from work
- Post graduation employment opportunities

Requirements

Must be currently enrolled in a 2 or 4 year Turf Management Program.
