

# Golf Course Management Internships Southwest Florida

**Bonita Bay Club is an exclusive club in a premier location.**

## **Four Summer Internships Available**

- Housing provided on-site, wage \$10/hour
- 5 private high-end golf courses at two different facilities, Arthur Hills and Tom Fazio architects

This is a great opportunity for learning, gaining experience and possible future employment. Previous interns are now our Assistant Superintendents. Many responsibilities including: equipment operation, granular and foliar fertilizer applications, IPM techniques, spraying and calibration, irrigation operation and repair, as well as running small crews on various projects. Interns will rotate courses and facilities and work with various crews and different Superintendents. 2012 summer projects include: new cart paths and enlargement of tees, along with aerification and other cultural practices.

More information on Bonita Bay can be found at [www.bonitabayclub.net](http://www.bonitabayclub.net)

Experience is not necessary. We are looking for punctual, hard-working individuals with the drive and ambition to learn and grow.

Resumes and cover letters should be sent to:
