

Summer Internship

Colleton River Plantation Club
Bluffton, SC

Contact: Kevin Dugger - Dye Course Superintendent

Address: 2 Oak Tree Rd., Bluffton SC, 29910

Phone: (843) 836 - 4485

Fax: (843) 836 - 4407

Email: kevind@colletonriverclub.com

Requirements:

Educational: Currently enrolled in or a recent graduate of a turfgrass management program or related field at an accredited college or university.

Experience: Minimum one year golf course experience. Individual should be interested in pursuing the golf course management profession.

Job Description: Interns will work one on one with the superintendent and assistants learning how to properly calibrate and apply pesticides/fertilizers, operate all equipment, routine golf course set up, detailed bunker maintenance, and irrigation/fertigation repair and maintenance. The primary focus of the internship will be the day to day operations that are required to successfully operate a private upscale golf maintenance program, other activities will include aerification, basic mechanical operations, budgetary reviews, and leading small project crews. Programs will be tailored to ensure interns have a successful and educational internship by frequent evaluation of the individual's strengths and weaknesses.

Salary Range: \$10.00 – 12.00/hr. + Plenty of Overtime

Benefits: Housing, golfing privileges, meals, uniforms, bonus

Date Available: OPEN – Two Positions Available

Course Description:

Colleton River Plantation is a private 45 hole facility. It is located on the main land just off Hilton Head Island. Colleton River is comprised of a Jack Nicklaus Signature Course, Pete Dye Signature Course and a 9 Hole Borland par 3 course. Please visit www.colletonriverclub.com for additional information.
