September 16th, 2011

Enclosed is a job description for the 2012 Internship Program at Oakland Hills Country Club.

We feel a student pursuing a career in the turf industry would gain valuable experience in the operation of a top ten course. The experience will include all facets of turf management as well as observing management techniques of a 36-hole facility. Students will have hands on experience while interning at a top 25 facility. Please inform your students of this valuable learning experience available to them.

Additionally, we are in the process of updating our recruiting records, please take a moment to update the attached form and return it in the envelope provided.

Sincerely,

Steven Cook
