

POSITION AVAILABLE

Summer Internship
Pine Hollow Country Club
Route 25A
East Norwich, LI, NY 11732

Position Available April 2012 thru September 2012

A unique opportunity for a turf school student to acquire practical experience in all aspects of turf grass management – fertility, irrigation and pest management just to name a few examples.

Student will have the opportunity to attend Green Committee meetings at the club as well as attend monthly local association meetings in the Metropolitan Long Island area.

Student will be compensated at a rate of \$12.00 per hour – time and one-half after 40 hours.

Room and board will be provided.
