

Juday Creek Golf Course has an opening for a golf course superintendent. Juday Creek is a privately owned, 18-hole daily fee course with a championship layout and bent grass tees, greens and fairways. The course is located in Granger, Indiana, near South Bend and right on the Indiana/Michigan border.

Main Responsibility:

Manage, supervise, delegate and oversee the overall maintenance of the golf course grounds, practice areas and clubhouse facilities in order to maintain Juday Creek's quality of excellence. Supervise and participate in the maintenance and repair of golf course grounds equipment and irrigation system. Participate as an active member of the Juday Creek management team.

This position requires flexibility, multi-tasking and some off-site projects as well.

Some of the Specific Golf Course/Grounds Responsibilities include:

- Responsible for the daily golf course set-up and initial inspection.
- Communicate with Clubhouse regarding course conditions for the day.
- Perform final daily course evaluation/inspection.
- Evaluate the usage and application of fertilizer.
- Supervise irrigation and irrigation maintenance and troubleshooting.
- Track and maintain expense records for course equipment, supplies and labor, as well as current inventory of equipment, maintenance schedules and replacement needs.

Open to candidates with all levels of experience, salary to be commensurate with ability.

Traditional benefits are also available.
