ValleyCrest Landscape Maintenance is currently accepting applications for qualified Sports Turf Managers at the following location:

- **Silverlakes Equestrian & Soccer Park – Norco, California**
  - 120 acre facility
  - 17 vertically drained sand based grass fields (Bandera Bermuda), 4 amended native grade grass fields (Bandera) and 4 turf fields
  - General ornamental landscape areas

This position requires a person qualified to manage all aspects of Athletic Sports Field(s) turf maintenance operations. Applicant must be able to manage a professional sand based athletic field operation and lead a group of employees to meet customer needs and achieve high standards related to field safety, playability and aesthetics.

**Key Responsibilities and Tasks:**

- Applies knowledge of athletic field maintenance (turf and warm season grass) best practices, and capable of performing associated duties
- Responsible for scheduling and maintenance of dedicated equipment inventory
- Builds people capability through effective employee and client relations, training and communication
- Ensures pesticide and fertilizer compliance with all local, state and federal regulations
- Working knowledge of computer based irrigation monitoring systems
- Tracks, schedules and accomplishes turf applications and maintenance operations.
- Demonstrates ability to function successfully in a fast paced, changing work environment
- Ability to work a flexible schedule including early mornings, evenings and/ or weekends and holidays (as needed).

These positions are salaried positions and include 401k, medical, dental, life insurance and discretionary bonus.

**Base Salary Package:**
(Commensurate with experience)
